Honorable Magistrate Judge Vera M. Scanlon,

In the case management/Electronic case filing Docket I was going over I noticed that Corey Stephen Shook is representing Police Officer Cuadros, shield No. 20548, Police Officer Zielinski, shield No 12893 and Interested Party - City of New York. "Is it even possible for any type of Lawyer to represent all parties?" "Is that not conflict of interest for all parties? Only did I hear from Mr. James E Johnson is only in paperwork, but yet says only in the beginning of the Case Management where everything and everyone is at, and I yet to see anything with James E Johnson. I only see one Lawyer doing the entire case, which would be Mr. Shook. Now I read all the way to Docket #21 and I read that Corey Shook and Genevieve Nelson were appearing for the Defendants. Who is this Genevieve Nelson that just popped in out of the Blue and then I don't hear anything more about him and only back to Corey Shook and always only Corey Shook do I hear from. This would be conflict of ~~interest~~ Interest if only one lawyer works for all Defendants. Would it or would it not be? I am trying my best here and I am working with only what they can provide me here @ Northern State Prison. I can't read any books at the Law Library, get any literature from the Law Library, Nobody is even running the Library and I don't know how long it's going to be before anything changes. I know that June 6th, 2020 I will be done with my ADSEG Time, but once again, I don't know what they are doing with me and where they are sending me when I'm done. I will let you know if and when and where I'm going when done. I really don't know what to do or where it goes from here with this matter. I do ask to please help me along and thank you.

Respectfully Submitted
